1. Refer to your Social Science Homework. Imagine your friend lives in Arunachal Pradesh or Meghalaya (you need to pick one state). In about 150 words, describe your friend. You may include any interesting details about their lifestyle or culture.
2. Create a **Memory Booklet** and write 5 of your best memories from this vacation that you want to keep for your future reference. Describe each memory with a short paragraph and a suitable title. Decorate your booklet with a cover page, illustrations, hand-drawn cartoons, etc. You may use A4 sheets stapled together to create your booklet.
